¹ The State fiscal year runs September 1-August 31. ² Nonjurisdictional and Jurisdictional-not filed were separated for the first time in FY 2006. ³ New screening program was instituted in FY 02. ⁴ In FY 2001, the board meeting scheduled for late August was postponed until September 7, 2001, moving it to FY 2002. At that meeting, 701 initial licenses were issued and 17 licenses were reissued. These statistics have been adjusted based on the assumption that the group licensed in September (FY02) would have been licensed in August (FY01).
