RULE CHANGES ADOPTED

CHAPTER 190. DISCIPLINARY GUIDELINES
The amendments to §190.8(6)(B), concerning Violation Guidelines, amends the rule to clarify that the Board will consider a misdemeanor to be a misdemeanor of moral turpitude if that type of misdemeanor has been found by a Texas Court to be a misdemeanor of moral turpitude. The rule also eliminates the word "deliberate" from the phrase "deliberate violence."

The amendments to §190.14, concerning Disciplinary Sanction Guidelines, revises the chart to ensure that references to violations under Texas Occupation Code §164.053(a)(6) are referenced in the same section with violations under §164.053(a)(5).
