PROFESSIONAL HISTORY – PG.1

Attention - This is important: Be sure to disclose all relevant circumstances, disciplinary actions, charges, or convictions. A false response to any of these questions may be grounds for disciplinary action, or even denial of licensure. Avoid some of the common excuses heard from people who fail to disclose, such as:

- My attorney told me I didn't have to disclose the criminal conduct or disciplinary actions.
- I didn't think the prior conduct had anything to do with the profession.
- I didn't think the disciplinary action, arrest, charges, or conviction was still on my record.
- I didn't think it was subject to disclosure because I received a deferred sentence/judgment.
- My program director/faculty advisor said it wouldn't appear on my record.

All supplemental forms listed can be found on the Additional Forms section of our website.

Arrest/Criminal History

This is important:

The Board will run queries with the Texas Department of Public Safety and the FBI to verify your criminal history. Both entities maintain records, often beyond the time that courts keep them. Please be aware that if you have ever been arrested, charged, or convicted of a misdemeanor or a felony, the record of those events will be reported as a result of the fingerprint inquiry.

Serious traffic offenses such as reckless driving, driving under the influence of alcohol and/or drugs, hit and run, evading a peace officer, failure to appear, driving while the license is suspended or revoked MUST be reported. This list is not all-inclusive. If in doubt as to whether an offense should be disclosed, it is better to disclose the offense on the application.

Matters in which you were diverted, deferred, pardoned, or pled nolo contendere MUST be disclosed.

If you believe your offense was sealed or expunged, you must be able to provide a copy of the expunction or non-disclosure order if requested.

If you are in doubt as to how to respond to the questions, full and honest disclosure is highly recommended.
