### **TMB suspends Graham physician**

On October 5, 2016, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Jeffrey Keith Gilbertson, M.D., after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that due to Dr. Gilbertson's recent behavior and impaired status, he is unable to safely practice medicine at this time.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Gilbertson, unless the hearing is specifically waived by Dr. Gilbertson.

The temporary suspension remains in place until the Board takes further action.
