TMB suspends Bellaire physician

On September 30, 2015, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Owen Maat, M.D., after determining his practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Maat failed to abstain from prohibited substances in violation of his 2013 Mediated Agreed Order. The Board panel determined Dr. Maat's continued practice of medicine, including his use of alcohol in a manner that violates the abstention provision of his Board Order, poses a continuing threat to public welfare.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Maat, unless the hearing is specifically waived by Dr. Maat.

The temporary suspension remains in place until the Board takes further action.
