

TEXAS MEDICAL BOARD
LICENSURE COMMITTEE MEETING MINUTES

June 9, 2016

The meeting was called to order 11:16 a.m. by Chair, Timothy Webb. Committee members present were Michael Arambula, M.D., Pharm.D., Frank S. Denton; Carlos Gallardo, John R Guerra, D.O., and Robert B. Simonson, D.O.

Agenda Item 2 - Discussion, recommendation and possible action regarding the substantial equivalence of Ross University School of Medicine. Ms Johnston summarized the history of the Advanced Introduction Clinical Medicine (AICM) course, which is now known Internal Medicine Foundations (IMF). The content of each course was discussed as well as the rationale for the name change and the decline in the number of weeks in the most current course. Ms. Johnston also explained that in December 2015 the committee directed staff to research the courses further and bring the information back to the committee in June 2016 for their review. Ms. Laura Martin, Attorney and Ms. Paula Wells, EdD, Sr. Associate Dean of Academic and Student Affairs at Ross University attempted to explain why the name and content of the course has changed over the years. The Committee directed to staff to implement the following for Ross Univ School of Medicine graduates:

- Advanced Introduction to Clinical Medicine (AICM) that was completed in Dominica. Staff is allowed to calculate the number of course weeks into the total number of required medical education weeks.
- Advanced Introduction to Clinical Medicine (AICM) that was completed in the United States. This is not an approved clinical clerkship or rotation and is not acceptable for licensing requirements in Texas.
- Internal Medicine Foundations (IMF) completed in the United States is not a clerkship or rotation in Internal Medicine and cannot be used towards the total number of required medical education weeks or as an approved clerkship and is not acceptable for licensing requirements in Texas.

Agenda Item 8 Discussion, recommendation and possible action regarding Surgical Assistant Licenses. Mr. Denton presented options for possible rules changes related to the accreditation of surgical assistant programs. Mr. Denton stated that he is requesting a change because under the current rules an applicant would be ineligible for licensure should their program lose accreditation anytime while the applicant is enrolled. Mr. Denton explained that it seemed unfair for an applicant who invests that amount of time in their education to ultimately be ineligible for licensure. Mr. Denton further stated that since a license is not even required for surgical assistants to practice in Texas, being so strict on the accreditation status of the program did not seem sensible. After discussion the Committee felt that the current rule should remained unchanged at this time.

Agenda Item 9 - There being no further business, the meeting was adjourned at 5:57 p.m.
