Professional History

Attention: This is important. Be sure to disclose all relevant circumstances, disciplinary actions, charges, or convictions. A false response to any of these questions may be grounds for disciplinary action, or even denial of licensure. Avoid some of the common excuses heard from people who fail to disclose, such as:

- My attorney told me I didn't have to disclose the criminal conduct or disciplinary actions.
- I didn't think the prior conduct had anything to do with the profession.
- I didn't think the disciplinary action, arrest, charges, or conviction was still on my record.
- I didn't think it was subject to disclosure because I received a deferred sentence/judgment.
- My program director/faculty advisor said it wouldn't appear on my record.

All supplemental forms listed can be found on the Additional Forms section of our website.

In addition to monitoring, TXPHP provides education, recognition, and assistance in diagnosis, treatment, and management of licensees' potentially impairing conditions.
