### **TMB suspends Houston physician**

On October 10, 2019, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Jonathan Louis Rosenfield, M.D. (Lic. No. R5463), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that on or about August 22, 2019, a sealed arrest warrant was issued for Dr. Rosenfield's arrest in connection with conspiracy to unlawfully distribute and dispense controlled substances, aiding and abetting, and maintaining a drug-involved premises, in violation of federal laws.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Rosenfield, unless the hearing is specifically waived by Dr. Rosenfield.

The temporary suspension remains in place until the Board takes further action.
