TMB suspends Beaumont physician

On December 5, 2024, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of David Armando Pacheco, M.D. (Lic. No. S3036), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that, on or around October 18, 2024, Dr. Pacheco was arrested and charged by the El Paso Police Department for a 3rd degree felony online solicitation of a minor and invasive visual recording.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Pacheco, unless the hearing is specifically waived by Dr. Pacheco.

The temporary suspension remains in place until the Board takes further action.
