TMB suspends Seabrook physician

On September 22, 2023, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Richard Todd Husby, M.D. (Lic. No. J4862), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Husby has violated his Texas Physician Health Program agreement after testing positive for alcohol use.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Husby, unless the hearing is specifically waived by Dr. Husby.

The temporary suspension remains in place until the Board takes further action.
