### **Texas Board of Medical Radiologic Technology suspends Pittsburg MRT**

On June 12, 2024, a disciplinary panel of the Texas Board of Medical Radiologic Technology temporarily suspended, without notice, the Texas medical radiologic technologist certificate of Angela Marie Gibbs, MRT (Lic. No. GMR00097969) after determining her continuation in the practice of medical radiologic technology poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Ms. Gibbs was terminated by her employer for reporting to work under the influence of alcohol.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Ms. Gibbs, unless the hearing is specifically waived by Ms. Gibbs.

The temporary suspension remains in place until the Board takes further action.
