TMB suspends Houston physician

On January 12, 2023, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Htut Kyaw Win, M.D. (Lic. No. M0972), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that based on the evidence, Dr. Win suffers from an impairment and had his privileges terminated at his employer based on that impairment.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Win, unless the hearing is specifically waived by Dr. Win.

The temporary suspension remains in place until the Board takes further action.
