TMB suspends McAllen physician

On April 17, 2025, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Lee William Haak, M.D. (Lic. No. L2296), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Haak suffers from an impairment that interferes with his ability to practice medicine safely.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Haak, unless the hearing is specifically waived by Dr. Haak.

The temporary suspension remains in place until the Board takes further action.
