Board suspends Ennis doctor Stephen Fowler

On October 14, 2011, a Disciplinary Panel of the Texas Medical Board temporarily suspended, without notice, the medical license of Stephen Rice Fowler, M.D., of Ennis after determining that Dr. Fowler's continuation in the practice of medicine constitutes a continuing threat to the public welfare.

The Board found Dr. Fowler, Lic. No. H9514, was arrested on July 28, 2011 for public intoxication by the Irving Police Department. Medical records provided to the Board confirmed that Dr. Fowler continues to struggle with sobriety, but has refused inpatient treatment.

The suspension remains in effect until the Board takes further action.
