Texas Physician Assistant Board suspends San Antonio physician assistant

On June 23, 2021, a disciplinary panel of the Texas Physician Assistant Board temporarily suspended, without notice, the Texas physician assistant license of Christopher Felix Montoya, P.A. (Lic. No. PA06048), after determining his continuation in the practice as a physician assistant poses a continuing threat to public welfare. The suspension was effective immediately.

The Board found Mr. Montoya has been indicted on charges related to health care fraud and despite his incarceration, was continuing to run his practice from jail. Mr. Montoya continued to bill Medicare for services rendered despite not being present at his clinics to treat patients.

The temporary suspension remains in place until the Board takes further action.
