Texas Board of Medical Radiologic Technology suspends Hamilton MRT

On March 23, 2023, a disciplinary panel of the Texas Board of Medical Radiologic Technology temporarily suspended, with notice, the Texas medical radiologic technologist certificate of Bonnie Jo Marwitz, MRT (Lic. No. GMR02002938), after determining her continuation in the practice of medical radiologic technology poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Ms. Marwitz has been non-complaint with her Texas Physician Health Program monitoring and assistance agreement and was emergently referred back to the Board.

The temporary suspension remains in place until the Board takes further action.
