### **TMB suspends Tyler physician**

On October 24 2023, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Kenneth D. Haygood, M.D. (Lic. No. K2341), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Haygood is in violation of his June 2023 Final Order which restricted him from seeing and treating female patients.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Haygood, unless the hearing is specifically waived by Dr. Haygood.

The temporary suspension remains in place until the Board takes further action.
