### **TMB suspends Webster physician**

On July 18, 2023, a disciplinary panel of the Texas Medical Board temporarily suspended, with notice, the Texas medical license of David Atilla Fairweather, M.D., (Lic. No. L7373) after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found Dr. Fairweather surrendered his DEA controlled substances registrations certificates connected to his prescribing and has refused to respond to Board subpoenas and requests for information.

The temporary suspension remains in place until the Board takes further action.
