## Medical Board Will Not Hold October Board Meeting; Next Meeting Nov. 29-30

The Texas Medical Board has announced that it will not hold its previously scheduled board meeting October 4-5. The board completed a heavy workload at its August meeting, and the year-end board meeting normally held in December will occur November 29-30. This change will save resources, staff time, board member time and travel expenses.

Agendas for the November 29-30 meeting will be posted on the TMB web site at <http://www.tmb.state.tx.us/professionals/calendar/calendar.php> the week prior to the meeting.
