proposed order of Board staff that was presented. The order shall include the following: a Public Reprimand; and a \$12,000 administrative penalty. The basis of the administrative penalty is based on the Finding of Fact that Respondent did not file tax returns for two different years (1995 and 1996). The standard sanction is \$2,000 for conviction of moral turpitude, but because there were two separate and distinct violations underlying the conviction the total fine would be \$4,000.
