

Education Committee Action Items for Board Adoption

I move for the approval of the following action items:

Agenda item 2

Renewal of approved provider status for American College of Acupuncture and Oriental Medicine, Academy of Oriental Medicine at Austin, and Texas College of Traditional Chinese Medicine through July 13, 2013

Agenda item 4

Approval of all courses reviewed by the committee with the exception of the course from Neonpinktiger.

Deferral of approval on the course requested by Neonpinktiger until staff receives more information on how the content and structure are different from the same course offered by Texas Association of Acupuncture and Oriental Medicine.

Agenda item 5

Approval of the course by Pro-D Seminars

Agenda item 7

Approval for publication in the Texas Register of amendments to Rule 22 TAC 183.20 Continuing Acupuncture Education with noted changes to 183.20(r)(2) for CAE providers to provide at least one different course in Texas in each year of a three-year period and approved by the Board in order to obtain approved provider status
