### **TMB suspends Austin physician**

On September 3, 2025, a disciplinary panel of the Texas Medical Board temporarily suspended, with notice, the Texas medical license of Jared Kealy, M.D. (Lic. No. U8752), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Kealy initiated and continued a sexual relationship with two patients and used scheduled medical encounters to engage in, and continue, sexual acts with the patients.

The temporary suspension remains in place until the Board takes further action.
