### **TMB suspends Lubbock physician**

On February 9, 2024, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Jeffrey Norman Colvin, M.D. (Lic. No. H2313), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that between December 7, 2023 and January 29, 2024, while Dr. Colvin's license was suspended, he wrote over 60 prescriptions for controlled substances in violation of his suspension order. The majority of the prescriptions were for Schedule II narcotics and were issued to female patients. Between January 30, 2024, and February 2, 2024, Dr. Colvin continued to prescribe controlled substances to multiple female patients, in violation of his restriction order.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Colvin, unless the hearing is specifically waived by Dr. Colvin.

The temporary suspension remains in place until the Board takes further action.
