**Medical Board Suspends License of Denton Physician**

On March 14, 2011, a disciplinary panel of the Texas Medical Board temporarily suspended, with notice, the medical license of Ramon A. Cruz, M.D., of Denton, after determining that Dr. Cruz's continuation in the practice of medicine constitutes a continuing threat to the public welfare.

The panel found that Dr. Cruz, Lic. No. K3703, engaged in sexually inappropriate behavior with several patients. Four incidents, including an alleged sexual assault, were reported by patients to Denton Police.

The panel found that Dr. Cruz's actions demonstrate a pattern of inappropriate behavior, which is a continuing threat to public health and safety.

The suspension remains in effect until the Board takes further action.
