TMB suspends Temple physician

On April 23, 2018, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of John Middlemiss Palmer, M.D. (Lic. No. P6237), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that on or about April 18, 2018, Dr. Palmer was arrested and charged with possession of child pornography by the Texas Attorney General's Office.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Palmer, unless the hearing is specifically waived by Dr. Palmer.

The temporary suspension remains in place until the Board takes further action.
