

Action Item Agenda Item 2 Applicant #512
Licensure Committee Proposed Request to Return to Active Status
December 7, 2006

Applicant #512s request to return to Active Status from Texas Retired Status was reviewed.

Dr. Price moved to recommend to the full board that the applicants request be granted upon completion of the following requirements:

- Passage of SPEX or a monitored specialty board recertification exam
- Passage of the TMJ Exam
- Successful completion of a 180 day mini-residency in Internal Medicine, Family Practice or another primary care specialty approved by the Executive Director.
