### **TMB suspends San Antonio physician**

On November 7, 2023, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Anthony Michael Martinez, M.D. (Lic. No. M6281), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that on or around October 26, 2023, Dr. Martinez was arrested by the San Antonio Police Department Human Exploitation Unit for Online Solicitation of a Minor – Solicits Meet with Intention of Sexual Conduct, a second-degree felony.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Martinez, unless the hearing is specifically waived by Dr. Martinez.

The temporary suspension remains in place until the Board takes further action.
