Medical Board Suspends License of Dr. Bernard Albina of Houston

The Board convened a Disciplinary Panel on July 31, 2009, to consider the temporary suspension of the license of Dr. Bernard Albina, License No. D8643. At that hearing Board Staff presented an Agreed Order by which Dr. Albina waived his right to appear or proceed with the Temporary Suspension, and in lieu of proceeding he would accept an immediate suspension of his medical license that prohibits his practice of medicine. The suspension remains in effect until such time as the complete and final resolution of any and all criminal charges and investigations currently pending.
