RULE CHANGES ADOPTED

CHAPTER 193. STANDING DELEGATION ORDERS

The repeal of **§193.8**, relating to Prescriptive Authority Agreements: Minimum Requirements, is being repealed in its entirety. The repeal eliminates duplicative language already required under §157.0512, Occupations Code.

The amendments to **§193.17**, relating to Nonsurgical Medical Cosmetic Procedures, requires providing notice to patients of the identity and license number of the physician supervisor at a facility providing nonsurgical cosmetic procedures. It also requires posting notice of how and where to file a complaint against a physician or physician assistant involved at one of these facilities.
