TMB suspends Houston physician

On November 15 2023, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Bernard Lloyd Rosenfeld, M.D. (Lic. No. F7687), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Rosenfeld is suffering from an impairment that interferes with his ability to safely practice.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Rosenfeld, unless the hearing is specifically waived by Dr. Rosenfeld.

The temporary suspension remains in place until the Board takes further action.
