Medical Board Suspends License of Hrishi Kesh Maewal, M.D., of Fort Worth

A panel of the Texas Medical Board temporarily suspended the license of Hrishi Kesh Maewal, M.D., license #E7175, of Fort Worth, after determining that Dr. Maewal's continuation in the practice of medicine presents a continuing threat to the public welfare.

The action was based on evidence of Dr. Maewal's inability to practice medicine with reasonable skill and safety because of a mental or physical condition.

The temporary suspension hearing took place Thursday, August 10, and the suspension was effective immediately. The length of a temporary suspension order is indefinite but it remains in effect until the board takes further action.
