

## FORM T

### History of Criminal Incidents Attestation

**Full disclosure:** It is imperative that you honestly and fully answer all questions, regardless of whether you believe the information requested is relevant. Your responses on your application are evaluated as evidence of your candor and honesty. An honest "yes" answer to a question on your application is not definitive as to the Board's assessment of your present moral character and fitness, but a dishonest "no" answer is evidence of a lack of candor and honesty, which may be definitive on the character and fitness issue. Please be advised that a false response to any of these questions may be grounds for denial of licensure and reported to the appropriate data banks.

**Expunged offenses:** While expunged offenses, arrests, tickets, or citations need not be disclosed, it is your responsibility to ensure the offense, arrest, ticket, or citation has, in fact been expunged. Failure to reveal an offense, arrest, ticket, or citation that is not in fact expunged, raises questions related to truthfulness in addition to questions regarding the offense itself. **You may have been told your record is expunged when in fact it is not.** Expunction is an active process, initiated by you and your attorney, and results in a court order. If, during the course of the investigation of your application for licensure, information about an offense is discovered which you did not disclose because you believed it to be expunged, you will be required to provide a copy of the expunction order.

Complete this form if your response to any part of the questions in the arrest/criminal history section was "Yes." Each page must carry a signature and date. Use additional pages if necessary.
