Texas Board of Medical Radiologic Technology suspends Tyler MRT

On July 15, 2021, a disciplinary panel of the Texas Board of Medical Radiologic Technology temporarily suspended, without notice, the Texas medical radiologic technologist certificate of Taylor Belcher, MRT (Lic. No. GMR00108651), after determining her continuation in the practice of medical radiologic technology poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Ms. Belcher has been arrested and charged with felony drug possession multiple times including the most recent on or about May 27, 2021 in Arp, Texas.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Ms. Belcher, unless the hearing is specifically waived by Ms. Belcher.

The temporary suspension remains in place until the Board takes further action.
