TEXAS MEDICAL BOARD MEETING
LICENSURE COMMITTEE
APRIL 10, 2008
SUMMARY OF MINUTES/ACTION ITEMS

I move that the minutes of the <u>Licensure Committee</u> as distributed be approved along with the following action items:

3 applicants appearing before the committee be granted an unrestricted license.

1 surgical assistant and 3 physician licensure applicants appearing before the committee be determined ineligible.

1 applicant appearing before the committee be determined ineligible, but offered the opportunity to secure a residency position, under the terms and conditions outlined in the minutes as distributed.

1 applicant appearing before the committee be denied reinstatement, but offered the opportunity to secure a residency position, under the terms and conditions outlined in the minutes as distributed.

4 applicants appearing before the committee be granted a license or permit under the terms and conditions outlined in the minutes as distributed.

1 applicant appearing before the committee be allowed a 4th attempt at the SPEX examination.

1 request to return to Active status be deferred to allow the requestor to complete a mini-residency or get specialty board recertification.

8 orders proposed by the ED and accepted by the applicants be approved.

688 applicants for permanent physician licensure be approved.

5 Surgical Assistant applicants be approved.

6 cancellations of acudetox certifications by request for incomplete registration be approved.

4 applications for initial certification as a Nonprofit Health Care Organization be approved.

8 applications for biennial recertification as a Nonprofit Health Care Organization be approved.
