### **TMB suspends Galveston physician**

On November 14, 2019, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas physician in training permit of Shawn Paul Robinson, M.D. (Lic. No. BP10065150), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Robinson was arrested and charged with online solicitation of a child for sex. On or about November 7, 2019, Dr. Robinson was re-arrested for violation of conditions of his release on bond after he allegedly continued to access sex related sites on a social media application.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Robinson, unless the hearing is specifically waived by Dr. Robinson.

The temporary suspension remains in place until the Board takes further action.
