### **TMB suspends Falfurrias physician**

On June 12, 2014, a disciplinary panel of the Texas Medical Board temporarily suspended, with notice, the Texas medical license of Francisco Basil Saucedo, M.D., after determining his continuation in the practice of medicine would constitute a continuing threat to the public welfare. The suspension was effective immediately.

The Board panel found Dr. Saucedo, a Falfurrias physician, is unable to safely practice medicine with reasonable skill and safety due to abuse of drugs or other substances that could endanger a patient's life.

The temporary suspension remains in place until the Board takes further action.
