### **TMB suspends San Antonio physician**

On March 14, 2023, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Francisco Julian Fiallo, M.D. (Lic. No. R0393), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that based on the evidence, Dr. Fiallo suffers from an impairment and is not in compliance with his previous Board orders.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Fiallo, unless the hearing is specifically waived by Dr. Fiallo.

The temporary suspension remains in place until the Board takes further action.
