TMB suspends Cypress physician

On September 9, 2014, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of Ataur-Rehman Rizwan Khan, M.D., after determining his continuation in the practice of medicine would constitute a continuing threat to the public welfare. The suspension was effective immediately.

The Board panel found it has evidence that Dr. Khan poses or has posed a threat to harm himself or others that constitutes a potential threat of harm to patients and the public.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Khan, unless the hearing is specifically waived by Dr. Khan. The temporary suspension remains in place until the Board takes further action.
