TMB suspends Friendswood physician

On July 23, 2021, a disciplinary panel of the Texas Medical Board temporarily suspended, with notice, the Texas medical license of Arlette Naylor Pharo, D.O. (Lic. No. H6509), after determining her continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Pharo has exhibited a history and pattern of impairment that constitutes a continuing threat to the public health and welfare.

The temporary suspension remains in place until the Board takes further action.
