### **TMB suspends Lubbock physician**

On June 20, 2025, a disciplinary panel of the Texas Medical Board temporarily suspended, without notice, the Texas medical license of John Michael Cobb, M.D. (Lic. No. L6013), after determining his continuation in the practice of medicine poses a continuing threat to public welfare. The suspension was effective immediately.

The Board panel found that Dr. Cobb suffers from an unmanaged health condition that impairs his ability to safely practice medicine and is currently engaged in the practice of medicine without any oversight or monitoring.

A temporary suspension hearing with notice will be held as soon as practicable with 10 days' notice to Dr. Cobb, unless the hearing is specifically waived by Dr. Cobb.

The temporary suspension remains in place until the Board takes further action.
