

Letter Of Qualification (LOQ) Eligibility Checklist

Interstate Medical Licensure Compact (IMLC) Physician Licensure

For further review of eligibility requirements, please visit www.imlcc.com.

If you feel you meet these requirements, you can apply by visiting the IMLC site listed above. IMLC application fees are **non-refundable** so it is important to review these requirements and make a self-determination of eligibility. TMB staff cannot review your file for eligibility before submission of an application.

| Licensure with Texas |
|---|
| <p><input type="checkbox"/> Hold a full and unrestricted license in Texas that is in active status</p> <ul style="list-style-type: none">• License number: _____ Expiration date: _____ <p>To check the current status of your license, access your online profile at Texas Medical Board (state.tx.us)</p> |
| State of Principal Licensure (SPL) |
| <p>At least one of the requirements below must apply to name Texas as your State of Principal Licensure (you will be asked to check all that apply on the application):</p> <ul style="list-style-type: none">— Your primary residence is in Texas<ul style="list-style-type: none">○ Please make sure that the mailing address we have listed for you is a Texas address. This can be reviewed through your My TMB account.— At least 25% of your practice of medicine occurs in Texas— Your employer is located in Texas— You use Texas as your state of residence for U.S. Federal Income Tax purposes <p><i>**With Texas as your SPL, your Texas license must remain active unless you redesignate your SPL to another state**</i></p> |
| General Eligibility |
| <p>Please note that there are no remediation or alternate options to meet these requirements except for board certification and criminal history, as explained below</p> <p><input type="checkbox"/> Have graduated from a medical school accredited by the Liaison Committee on Medical Education, the Commission on Osteopathic College Accreditation, or a medical school listed in the International Medical Education Directory (available at World Directory of Medical Schools (wdoms.org)) or its equivalent</p> <p><input type="checkbox"/> Have completed a graduate medical education program that is ACGME or AOA accredited</p> <p><input type="checkbox"/> Have passed each step of the USMLE, COMLEX-USA, or any of its predecessors in no more than 3 attempts for each component</p> <p><input type="checkbox"/> Have a current specialty certification or time-unlimited certification by an ABMS or AOABOS board</p> <ul style="list-style-type: none">• This can be remediated by obtaining certification before submitting your application through the IMLC <p><input type="checkbox"/> Have not had any history of disciplinary actions towards your Texas license or other medical licenses</p> <p><input type="checkbox"/> Have not had any criminal history</p> <ul style="list-style-type: none">• This can possibly be remediated if the arrest can be expunged from your record. The expungement would need to be completed before submitting your application through the IMLC <p><input type="checkbox"/> Have not had any history of controlled substance actions towards your DEA license</p> <p><input type="checkbox"/> Are not currently under investigation by a licensing agency or law enforcement authority in any state, federal, or foreign jurisdiction</p> |

Please note TMB may ask for additional documentation to assist in verifying these requirements as needed.
